

# FUTURE OF 3D CELL CULTURE

## WELCOME TO SEMINAR & DEMO!

Immuno Diagnostic Oy arranges a 3D BIOPRINTING SEMINAR  
“FUTURE OF 3D CELL CULTURE” in Oulu on **Tuesday 29.10.2019!**

**WHEN:** TUESDAY 29.10.2019

- seminar at 10.00 am
- demo at 10.30 (nonstop until 4 pm)

**WHERE:** Room 487B, 4th floor, Aapistie 5A

COME & TEST  
**BIO X 3D  
Bioprinter**  
IN ACTION IN  
**OULU!**

**THIS SYSTEM ALLOWS  
AN EASY WAY TO CREATE  
YOUR OWN 3D CELL  
& TISSUE MODELS.**

**See you on Tuesday in Oulu and let's print together!**

We have started a collaboration with a Swedish company **CELLINK**. This means that Immuno Diagnostic Oy expands to the field of biomaterials by importing and supporting 3D Bioprinting equipment in the country! **The future of medicine is here - in Oulu!**
