

## 750632S Maturity exam for Master of Science degree

The maturity exam shows that the student is well acquainted with the subject of the Pro gradu thesis and language.

The maturity exam is approximately four pages long (minimum length 3 pages), written in essay style. The essay will show a good command of the language and the topic of the thesis.

Student will write only from the title that he/she is given.

The exam time is maximum 3 hours.

The essay must be analytical and harmonious unity. Maturity exam is an essay not an exam answer.

Minimum requirements for linguistic form:

1. Handwriting readable, capital and small letters clear and word spaces distinguishable.
2. Writing has to be sectioned in distinct paragraphs.
3. Essay has to be titled. Content and title have to be congruent.
4. Student has to know basics of spelling and punctuation.
5. Word order has to be unambiguous.
6. Writing style has to be matter-of-fact style.
7. Tables and pictures should not be used.
8. Essay has to be structurally outlined and consistent unity.
9. Examiner has to understand the written text. The writer must not suppose that the reader is familiarized with the student's thesis.
