

# Finnish Conference for Environmental Science, 22<sup>nd</sup> May 2025

All topics within environmental sciences are welcome! Topics in invited presentations include for example novel biomarkers in ecotoxicology and microplastics.

**Location:** Conference Center Pasila, Opastinsilta 12, Helsinki

## Preliminary programme

- 9:00 Scientific programme
- 10:20 Coffee
- 10:40 Scientific programme
- 12:00 Lunch
- 13:00 Scientific programme
- 15:00-16:30 Visit to European Chemicals Agency ECHA

Invited speakers:

Junchao Shi, Chinese Academy of Sciences; Jussi Kukkonen, University of Eastern Finland

Presentations include regular 15-20 min talks and speed talks. Key analytical companies (e.g. Thermo, Waters), will also present their latest products.

## Abstract submission

A max 250-word abstract should be submitted via <https://www.fses.fi/>. We accept abstracts of any topic within environmental sciences. Students and early-career researchers are especially welcome. *Best student speedtalk will be awarded a 100€ price!* Deadline 1<sup>st</sup> April 2025.

## Registration

Registration fee is 10€ for students (MSc and PhD) and 40€ for other participants. The conference is free for student members of FSES. The fee includes the program, lunch, coffee and a tour to ECHA. Registration via <https://www.fses.fi/>. Deadline 1<sup>st</sup> April 2025.

## PARALLEL CONFERENCE IN PESTICIDE RESEARCH

Parallel to the conference, Nordic Pesticide Residue Workshop (NPRW) takes place 20-22.5.2025 at the same conference venue. Registration for NPRW also includes access to the Finnish Conference for Environmental Science. For details on the program and registration, see <https://www.ruokavirasto.fi/en/NPRW2025>. The registration fee for the 3-day event is 120 €, which includes a get-together event, coffee breaks, 2x lunches and dinner. Abstracts can be submitted either via NPRW or <https://www.fses.fi/>. Registration and abstract deadline is 1 April 2025.

## THESIS PRIZE FOR THE BEST ENVIRONMENTAL SCIENCE MSC THESIS (500€)

The society will award a 500€ prize to the best Environmental science Msc Thesis (Msc between May 2023-2025), in the conference. Please apply via <https://www.fses.fi>
