

COVERING LETTER

2.4.2013

TO THOSE CONCERNED

Dear Sirs,

University of Oulu organizes the Science Day at the Linnanmaa Campus area on Tuesday, the 10<sup>th</sup> of September 2013. Science Day consists of day and evening sessions, which are of a different nature. This is a great opportunity for researchers to present their work to the citizens of Oulu and tell about the research for the wider public.

On Tuesday the pupils of Oulu will come to the University to hear about the science starting from 9 am and ending to 3 pm. In the evening the families are invited to hear about the science. There will be 60 different workshops for 4 000 guests. Your help and assistance is needed and now you are asked to give your propositions for the workshops.

Kindly give your suggestions by responding to the [Webropol survey](#) by the 12<sup>th</sup> of April. This e-mail may also be redelivered to your colleagues.

On behalf of the Science Day 2013 working group,

Eva Maria Raudasoja  
director
