Collaborative Projects in Horizon Europe Online Course
University of Oulu
March-April 2022

About the training:

The overall purpose of this course is to address all the guidelines, requirements and aspects for a deep and holistic understanding of how to write competitive Horizon Europe collaborative projects applications. During the training, you will receive access to our **"Collaborative Projects in Horizon Europe" online course**, followed by a concluding **live Q&A session** where our team will answer the participants' Horizon Europe questions.

Registration to the training:

To register, please fill in this registration form **until 28 March 2022**
*Only participants who will fill in the form by this deadline will gain access to the course content.

Timeline:

1. "Collaborative Projects in Horizon Europe" course available for viewing: 29 March 2022 – 13 April 2022
2. Deadline for completing the online course and submitting questions for the Q&A (see explanation below): 11 April 2022 at 13:00 (Finland time)
3. Live Q&A session: 12 April 2022 at 10:00 (Finland time)

The "Collaborative Projects in Horizon Europe" online course:

The online course will open on **29 March 2022**, and participants should complete it by **11 April 2022 at 13:00** (Finland time) as a prerequisite for participating in the live Q&A session. The course is 4 hours and 45 minutes long, and will be available on-demand online. You are invited to watch it when most convenient for you during the time period mentioned above.

While watching the course, we invite you to send us your questions for the Q&A through a dedicated form. Questions for the live session can be submitted by **11 April 2022 at 13:00**.

On **29 March 2022**, all registered participants will receive an email from us with instructions on viewing the online course.

The live Q&A session:

During the live session, our team will present and answer the collected questions. This session will take place on **12 April 2022 at 10:00** and will be up to 90 minutes long.
Invitations to the live Q&A will be sent before the session to everyone who completed the online course on time. We will be in touch with more information on this before the session.

After the live Q&A session, the videos will remain available online **until 13 April 2022** (including), to allow participants to revisit the course after the live session.
