

IP Rights and Research

Course code: 920016J

ECTS credits: 0.5 credits

Language of instruction: English

Timing: The course is held in autumn.

1.10.2014 at 9.15-16.00 (7 h) SÄ111

The course is also available on-line via Adobe Connect Pro.

1. Open your internet browser and go to: <http://connectpro.oulu.fi/uniogs>

2. Enter as a Guest

3. In the "Name" box, type your real name as follows: Last name, First names (if you do not do this, we will not be able to identify you and you will not be registered as present).

Target group: The course is aimed at PhD students and senior researchers. This is an optional course.

Course objectives: Course gives an overview of the crucial role of IPR (intellectual property rights) for research and business.

Learning outcomes: The participant gets a good overview from different forms of IPR (e.g. copyrights, patents, trademarks) and how he/she should take IPR into account when giving lectures, publishing results or planning a new business based on his/her know-how or an invention.
