

# IP Rights and Research

Course code: 920016J

ECTS credits: 0.5 credits

Language of instruction: English

Timing:

- part 1/3: 27.3.2023 at 12.00-15.00 (online);
- part 2/3: 29.3.2023 at 9.00-11.30 (online) and
- part 3/3: 30.3.2023 at 9.00-11.30 (online) (total. 8 h)

Participation link: <https://oulu.zoom.us/j/63652121230>

Target group: The course is aimed at PhD students, senior researchers, MSc students and other interested in intellectual property rights (IPR).

Course objectives: Course gives an overview of the crucial role of IPR for research and business.

Learning outcomes: The participant gets a good overview from different forms of IPR (e.g. copyrights, patents, trademarks) and how he/she should take IPR into account when giving lectures, publishing results or planning a new business based on his/her know-how or an invention.
