

# 14th SCIENCE DAY

## of the CAMPUS OF KONTINKANGAS

### *"Road from genome to clinical practice"*

### FEBRUARY 21, 2017

LEENA PALOTIE AUDITORIUM (101A) Aapistie 5A, Oulu

08.15 **Abstract book pick-up**

11.50 **Lunch**

08.30 **Welcoming words**

Chair of the organizing committee:  
Professor Kalervo Hiltunen

12.50 **Oral presentations**

**Basic research/biochemistry**  
Chair: Dr. Gonghong Wei

#### **Plenary lectures**

Presentation of the speakers:  
Professor Kalervo Hiltunen

13.50 **Coffee break and poster viewing**  
Sponsored by the Faculties (Lobby)

08.35 **Professor Olle Melander**

**University of Lund**  
"Genetic and endocrine disturbances  
contributing to development of diabetes and  
cardiovascular disease"

14.30 **Oral presentations**

**Clinical research**  
Chair: Professor Johanna Uusimaa

09.15 **Professor Hannes Lohi**

**University of Helsinki**  
"Canine models of human disease -  
translational scientific and clinical implications"

15.30 **Awards**

**The Best Doctoral Thesis 2016 Award**  
Professor Kalervo Hiltunen and Chief of  
Postgraduate Education Sanna Ahonen

09.55 **Coffee break and poster viewing**

Sponsored by the Faculties (Lobby)

**Best Oral Presentation Awards**

Chairs of the Oral Sessions:  
Dr. Gonghong Wei and Professor Johanna Uusimaa

10.30 **Professor Susan J. Hayflick**

**Oregon Health & Science University**  
"Neurodegeneration with brain iron  
accumulation: From genes to pathways and  
therapeutics"

**Best Poster Presentation Awards**

Chair of the Poster jury: Dr. Jarkko Koivunen

11.10 **Professor Mikko Niemi**

**University of Helsinki**  
"Pharmacogenomics in clinical practice -  
hype or hope?"

15.55 **Closing words**

Chair of the organizing committee:  
Professor Kalervo Hiltunen
