April 16th 2015

4th Oulu Bioluminescence Day 2015

A joint event between imaging laboratories of University of Oulu and Oulu University Hospital supported by Infotech Oulu and Biocenter Oulu.

This years topics are:

- emerging imaging technologies for basic research, diagnostics and future interventions
- human brain imaging in health and in disease
- latest progress in Oulu Bioluminescence network
- OBI Science Image Contest!

Date: Thursday, 16th of April, 2015
Place: Anatomy lecture hall A101 at the Kontinkangas campus
Registration: <http://www.oulu.fi/obi> or use the QR code
Credits: 0.3-0.5 ECTS

Whether you are working on some topic related to biomedical imaging or you are just interested about the topic in general, please register for this interesting and free event! More info: www.oulu.fi/obi
