

eHealth2021, the 26th Finnish National Conference on Telemedicine and eHealth
Main theme: eHealth in a Lifecycle, 7.-8.10.2021, in Oulu, Finland

Call for abstracts

Please focus your abstract in the following conference themes:

eHealth in a Lifecycle; Novel digital solutions for healthcare; eHealth skills – from professionals and citizens perspectives; Recent evaluation results of the Finnish health and social care systems; Nordic Health; Future and Visions; Kansalaisen osallistaminen; Innovaatio- ja testaustoiminta; Digitaalisen terveyden menetelmien arviointi ja e-tutkimus; Mitä uutta digitaalisuudesta ennaltaehkäisyyn ja kuntoutukseen? If not focused, the conference team chooses the presentation session for oral posters. The conference has both sessions in English and in Finnish. However, submit your abstract in English. Extension of the time for **submitting abstracts** is until **Aug 22nd 2021. Notification of acceptance is 31.8.2021.**

The paper poster format is A1 or A0. Abstracts chosen as posters should be prepared by the presenter. At least one of the authors must register as a conference participant and present the abstract either in oral session or as a poster in the poster session (**NOTE! Early bird fees are applicable for all accepted abstract authors**).

Accepted abstracts will be published in Conference Book. The best abstracts are invited to be published as full papers in a special #eHealth2021 issue of *Finnish Journal of eHealth and eWelfare*.
