

“Wow! Big savings
by ordering ABI PRISM®
BigDye® Terminator
Sequencing Kits.”

2003

YEAR END SPECIAL OFFER

iScience. Applied Biosystems provides the innovative products, services, and knowledge resources that are enabling new, integrated approaches to scientific discovery.

Next generation chemistries for a new generation of genetic analysis.

Wherever your sequencing takes you ABI PRISM BigDye Terminator v3.1 and v1.1 Cycle Sequencing Kits will take you further.

- Improve the quality of your results for a wide range of sequencing applications
- Sequence challenging templates and sequences more successfully
- Get longer, higher-quality reads with more uniform peak heights and optimal signal balance
- Enhance your productivity and reduce costs

The GeneAmp® PCR System 9700 Gold is a high performance thermal cycler with built-in flexibility, provided by different block temperature modes and a range of user-interchangeable PCR block options.

- User-friendly graphical display for intuitive programming
- Excellent temperature uniformity and accuracy for reproducible results
- Networking software for central control of up to 31 cyclers

Until 31 December 2003 you can purchase the following Special Offer Packages:

Save 35%

Special Offer Package 1**

3 x 100 or 3 x 1,000 reactions BigDye Terminator Sequencing kits, v 1.1 or 3.1, at 35% discount from list price!

Version	Reactions	Part No.	Qty	Special Offer
v1.1	100	4337450	3	35% discount
v1.1	1,000	4337451	3	35% discount
v3.1	100	4337455	3	35% discount
v3.1	1,000	4337456	3	35% discount

Save 40%

Special Online Offer Package 2**

Ordering BigDye Terminator Sequencing kits through our store*–store.appliedbiosystems.com– saves you an EXTRA 5% discount on top.

Version	Reactions	Part No.	Qty	Special Offer
v1.1	100	4337450	3	40% discount
v1.1	1,000	4337451	3	40% discount
v3.1	100	4337455	3	40% discount
v3.1	1,000	4337456	3	40% discount

*To order online you need to enter the promotional code of the desired package. To identify the right code of your desired package, please check the table below.Please contact your local Applied Biosystems office, if you do not find your country in the drop-down menu of the registration page.
