What is AIESEC?

World's largest youth-run organization

An **independent, non-political, not-for profit** organization (NGO)

A global platform for young people to **explore and develop their leadership potential** through volunteering.

What leadership?

In AIESEC we want to develop four leadership qualities:

- 1) Self awareness
- 2) Solution orientation
- 3) World citizenship
- 4) Empowering others

We believe that leadership **can be developed in anyone.**

As AIESEC we believe that the best way to develop these qualities is through **practical experiences in challenging environments**, like volunteering abroad.

A cross-cultural volunteering experience for young people, who want to **develop themselves and the world** while contributing to the **Sustainable Development Goals**.

Duration: **6 - 8 weeks**

Fees: project fee **400€** + flights and insurance (and visa if needed)

For who: all between the ages of **18-30**

Includes: **accommodation (during project), outgoing and incoming preparation**, meals in some projects

Flexible, easy to join, no prior experience required

AIESEC is here to support you throughout the entire process

One of our local volunteers will support you from the very beginning, helping you find the best possible project for you.

The support you will get:

BEFORE THE PROJECT - Support in application process and Outgoing Preparation Seminar

ONCE YOU ARRIVE - Pick up at airport and Incoming Preparation Seminar

DURING THE PROJECT - AIESEC's support system in Finland and in the host country

AFTER THE PROJECT - Debrief and Reintegration Seminar
