## Call for a scholarship

The research unit of Protein and Structural Biology (PSBRU) at the Faculty of Biochemistry and Molecular Medicine opens a call for a scholarship to work as a trainee in the [research group of Docent. Venkatesan](#). The task is carried out on site and suitable as a summer job for a student with bachelor's degree. The grant is max 1750 €/month and available for a period of max 2.5 months (considering full working time). Previous experience in molecular cloning, protein expression and purification will be an advantage.

Deadline for written applications is 28.6.2022. The applications should include a CV and max 300 word motivation letter as a single PDF file (max 2 pages). Applications are submitted via email to [Rajaram.venkatesan@oulu.fi](mailto:Rajaram.venkatesan@oulu.fi) with the subject line 'application for a trainee position'. The selected candidates will be notified by 1<sup>st</sup> July. The work can be started at the earliest by 4<sup>th</sup> July 2022.
